

# Research Management Academy Brno

The Alliance4Life\_Bridge Research Management Academy 2026 is a five-day programme hosted at CEITEC Masaryk University, designed to strengthen coordination, communication, leadership and collaborative skills across the consortium. The agenda combines practical workshops, teamwork-focused sessions and opportunities for sharing best practices, reflecting the project's mission to enhance research culture and institutional capacities in Central and Eastern Europe. Throughout the week, participants will work together on developing competencies relevant to successful project management and cross-institutional cooperation within the Alliance4Life\_Bridge community.
